

KICKSTART SCHEME EMPLOYABILITY SUPPORT PACKAGE

The Kickstart Scheme is a UK-wide scheme created by Department of Work and Pensions and Job Centre Plus. It is designed to support young people gain employment skills over a 6-month job placement.

Alongside many organisations in the UK, Farnham Maltings, through the house initiative, proposes to put forward a bid on behalf of venues in the South East venue network who want to take part in the scheme.

INCLUDED IN THE PACKAGE

By offering a support package, we can work together to create a robust and meaningful set of opportunities to make sure young people are in a better position to move onto further employment.

Each employer taking part in the scheme with house has the opportunity to benefit from the offer.

CV, application and job support

Virtual employee circles facilitated by Future Creators

Employability skills workshops

Online workshops in finance and leadership

Equality, diversity and inclusion

Unconscious Bias training

Introduction to the creative industries

Insights into the industry from professionals

This document will be updated with more information when possible.

The employer's financial contribution toward the package will reflect the direct cost of the activity. Please contact info@housetheatre.org.uk for any queries.
